The National Student Survey was run by [campus.ie](#), for the purpose of compiling an accurate picture of student habits, behaviors and opinions. Prizes were offered to respondents, drawn randomly from the entire database of responses. The winners were drawn and contacted by email address. All responses were anonymous and cannot be linked to given contact details. All responses were defined as unique using the respondents email address. The survey was run on [campus.ie](#) between the 9th and 27th May 2013. The results shown are figures taken from a total response of 3972. Respondents were solicited and received from students in every Irish 3rd level institute.
